

Youth Day at Arizona Game & Fish Department OUTDOOR EXPO 2008

Attention Teachers!

Youth Day will provide hands-on educational activities that involve outdoor recreation and environmental education:

- Live wildlife demonstrations
- Wilderness safety course
- Geocaching demonstrations
- Sportfishing catch and release tank
- Boating education activities
- State *Archery in Schools* competition
- Booths with activities from Roots and Shoots, Audubon, and much more
- Educational talks and demonstrations

For more information on Youth Day events, or if your class or school is planning to attend, please contact or RSVP the number of students and chaperones attending, to Kellie Tharp, Environmental Education Manager at (623) 236-7238 or via e-mail at ktharp@azgfd.gov. Once you RSVP, you will receive detailed directions and parking information.
